

# Seeds of Hope Armenia

## **About:**

Seeds of Hope Armenia, a non-profit humanitarian organization based in Washington D.C. was created and developed with the goal of providing direct comprehensive humanitarian, financial, and medical aid to the families of the martyred and wounded soldiers from the battles that ensued over Artsakh and Armenia. It is our hope to repair as much damage as we possibly can through the generosity of our supporters.

## **Mission Statement:**

Seeds of Hope Armenia is committed to supporting the health, education, and welfare of Armenian soldiers as well as the families of combat volunteers.

## **Results in numbers for 2021 and 2022:**

- **FY 2021:**
  - Donations received \$25,000
  - Program expenses and direct donations of \$17,000
  - Number of beneficiaries: 49
  
- **FY 2022:**
  - Donations received \$27,000
  - Program expenses and direct donations \$23,000
  - Number of beneficiaries 65
    - 61 with medical needs
    - 4 with continuing education

## **List of Fundraising Events 2021 - 2022:**

The board made the decision to organize various fundraising events across the states in the US with the aim of collecting donations. The events are mainly based in Washington, DC. Seeds of Hope Armenia is currently partnering with local organizations and churches to organize new events and open them up to everyone interested. The proceeds from ticket sales go to the implementation of the programs where the need is the greatest.
